Day Care Centers.....102,806  
Directors.....102,201  
Teachers.....21,428

A macro view of the structure and organization of the U.S. education market:

- ✓ Read it horizontally to find institutions by grade level.
- ✓ Read it vertically to see administrative relationships and possible purchasing influences.

Additional details:

- ✓ K-12 schools by type and grade span – page 12
- ✓ District administrators by job title – pages 8-9
- ✓ Teachers by job title – pages 28-31

<sup>1</sup> Charter, Magnet, and Virtual School counts are included in the Public School totals.

<sup>2</sup> Includes Administrators at State Departments, Districts, County and Regional Centers, and Catholic Dioceses.
